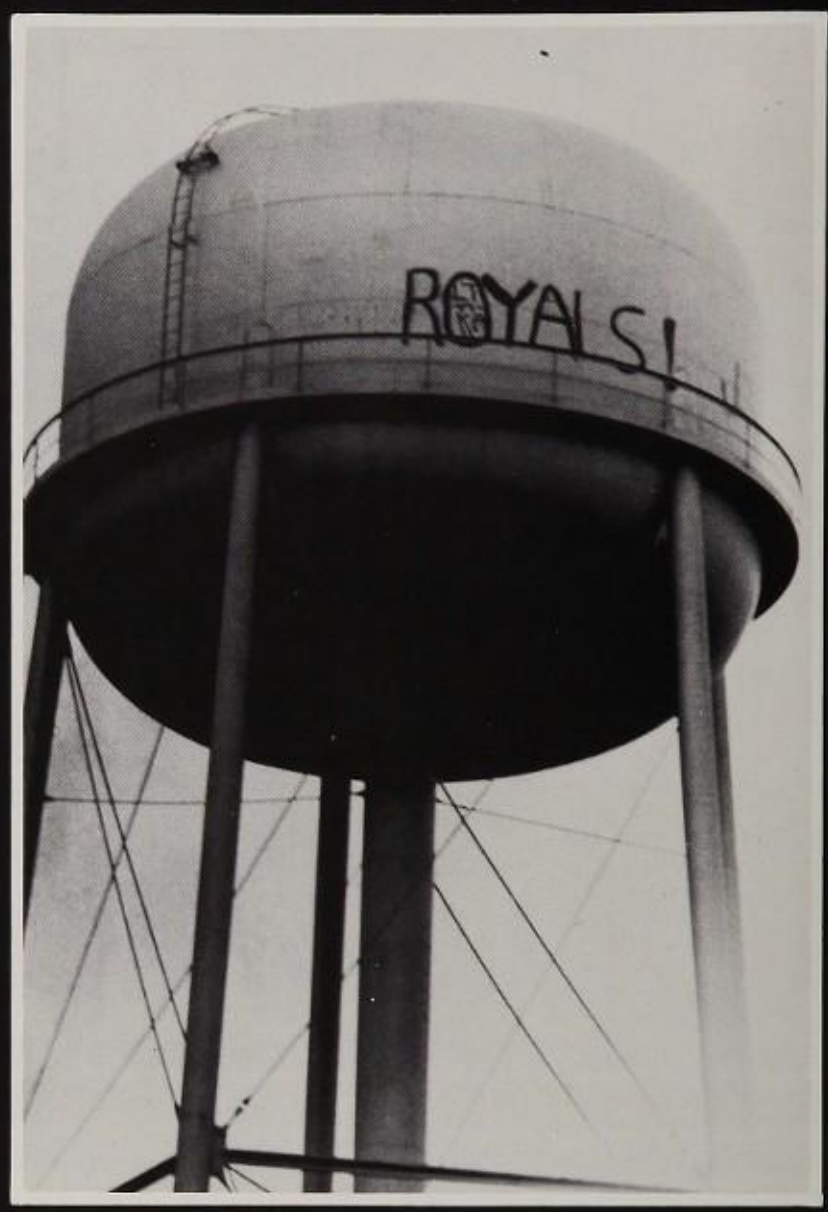
WALSH

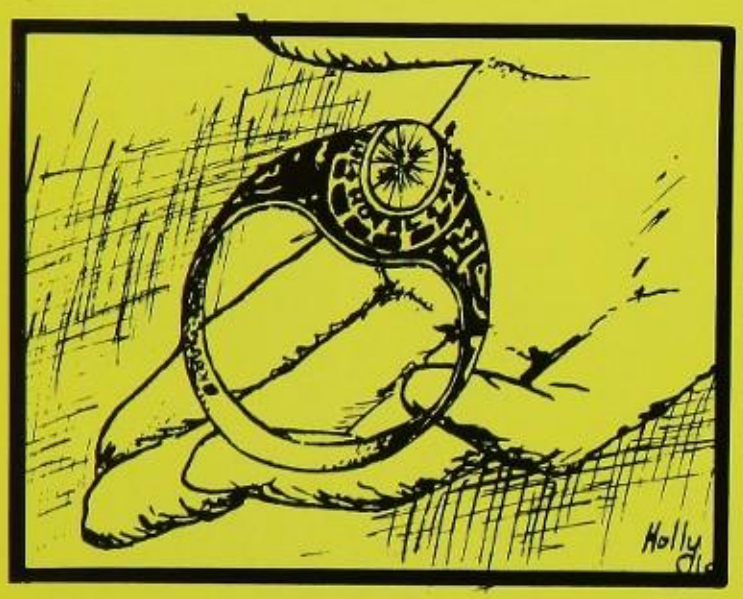
Do we know what our future holds?

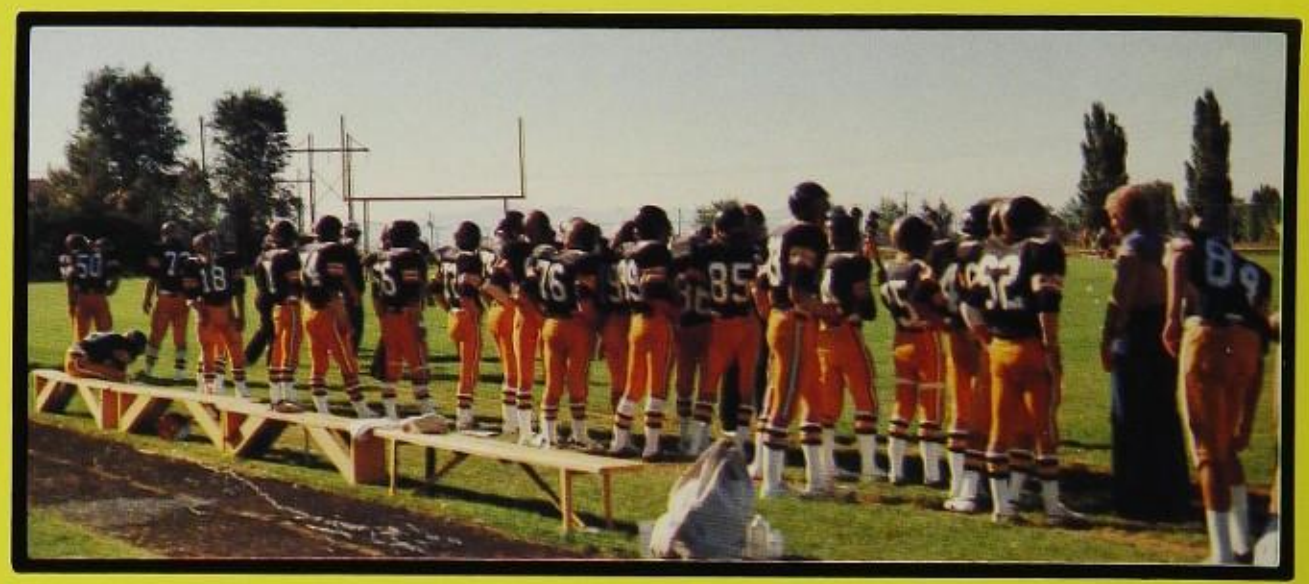


Do we reach where the Eagles soar?

As Royals

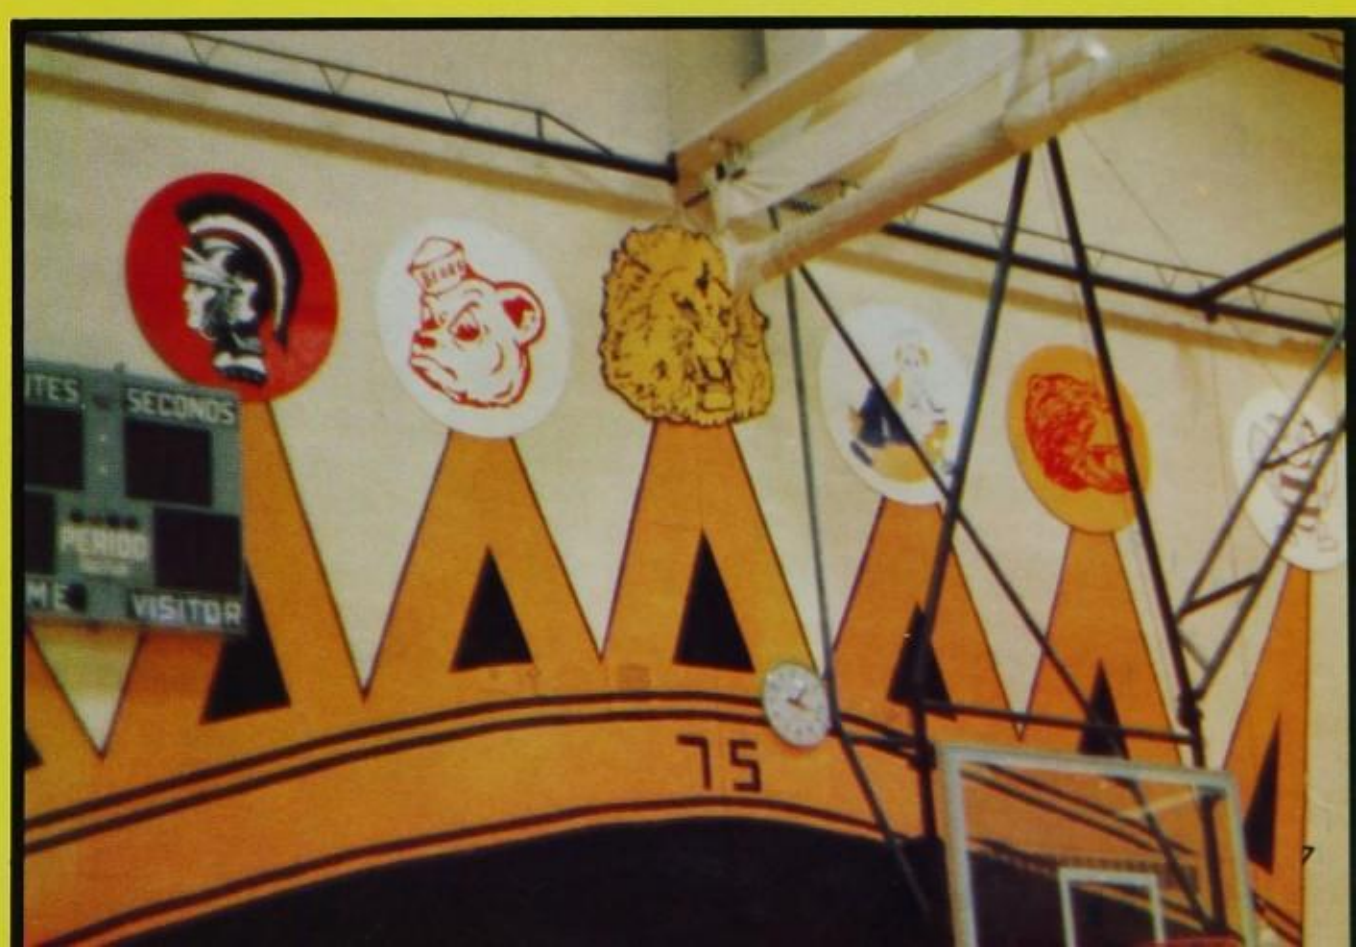
we unitedly stand;





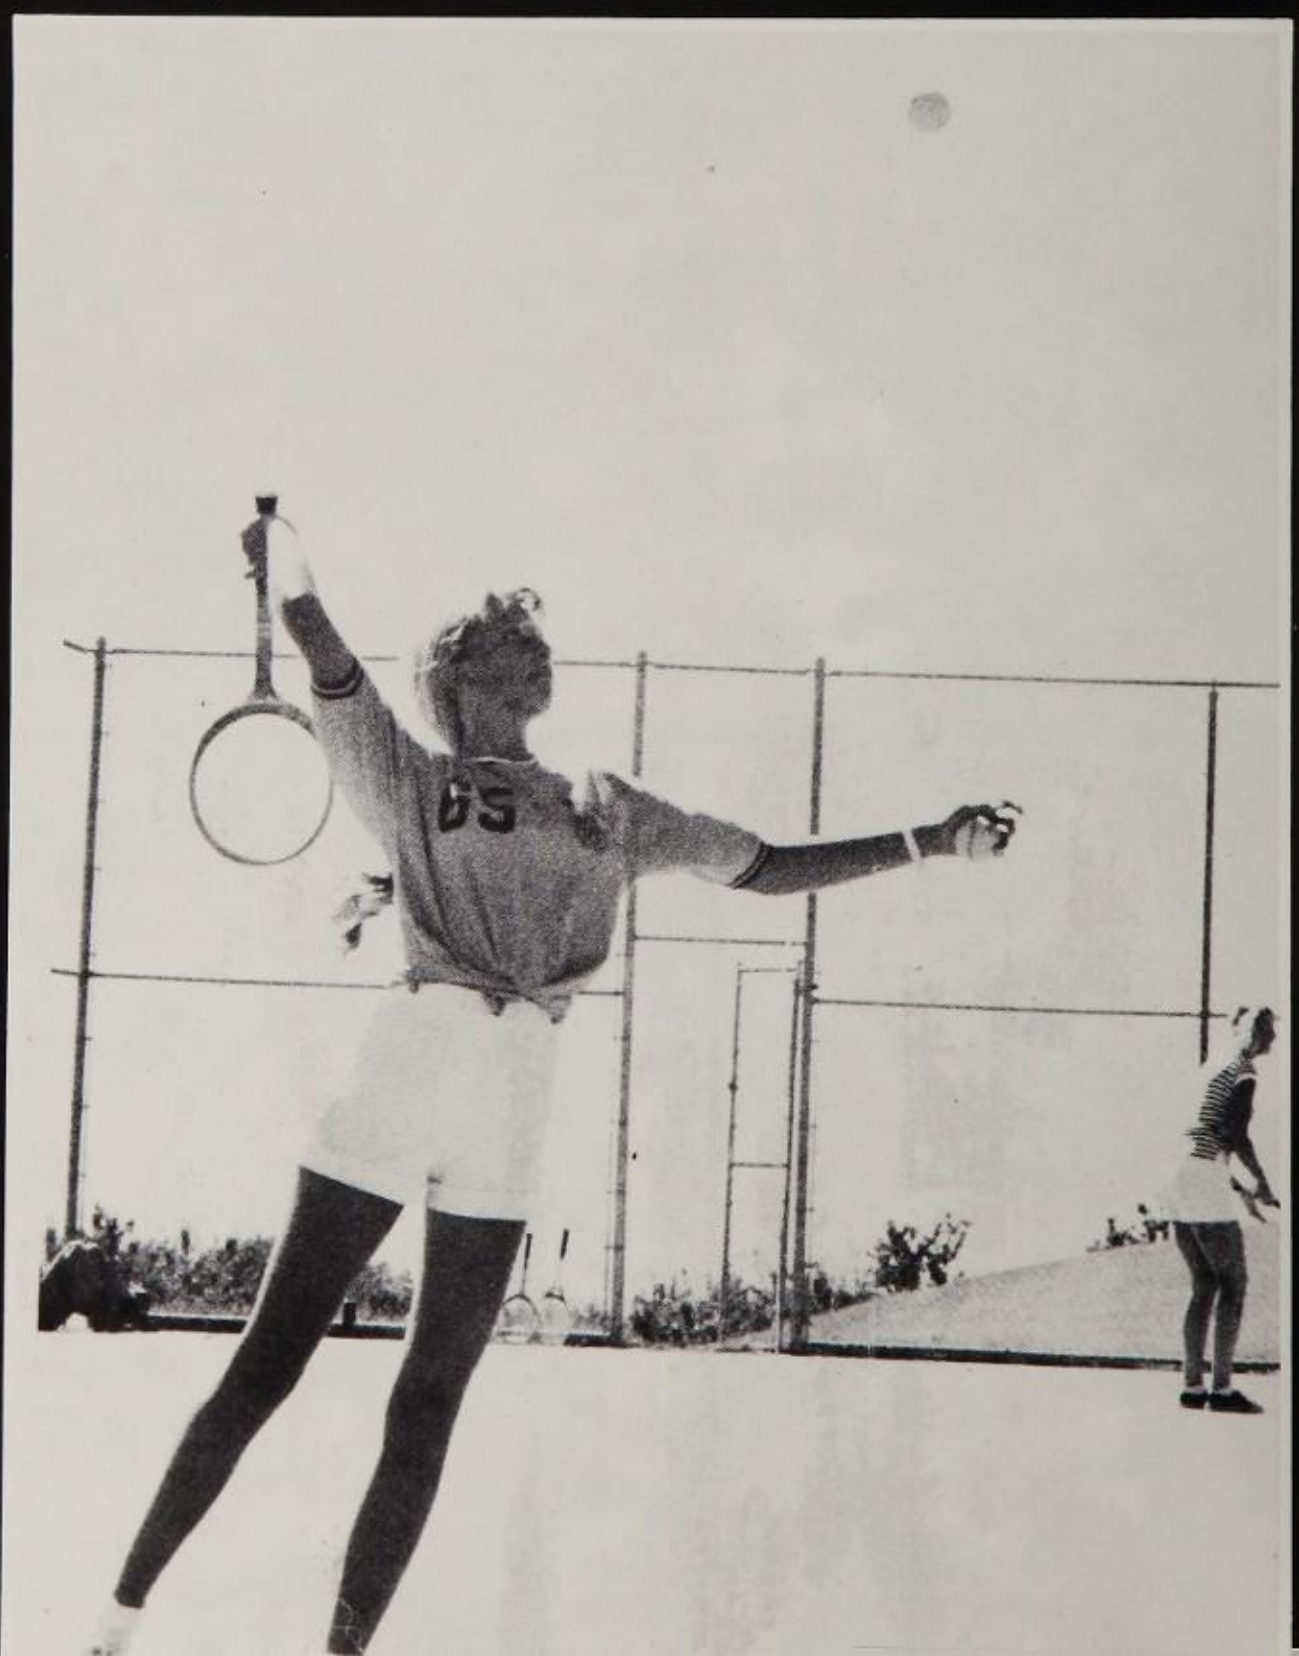
After failures

we rise once more.



For even as a lion
is king of the jungle,

We are
leaders of
our own
right



We live, build and love this . . .

. . . OUR ROYAL KINGDOM!

Alma Mater

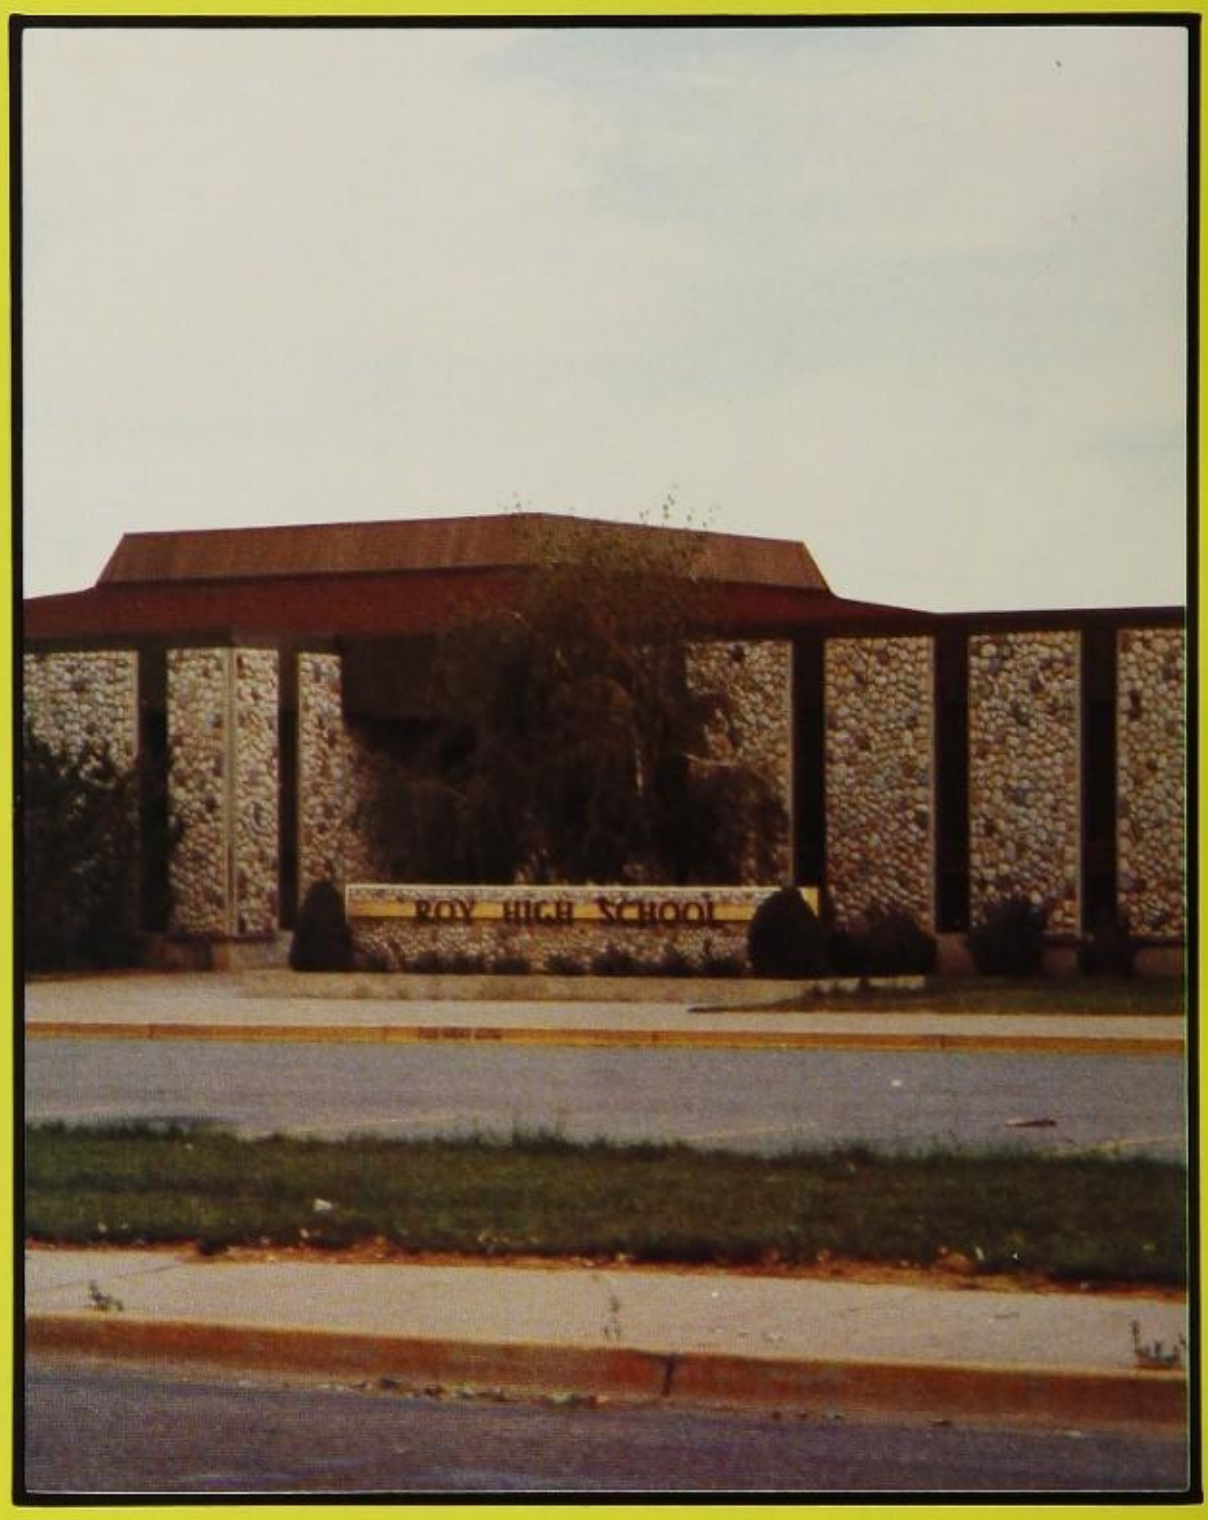
We'll sing our song to
thee tonight,
We'll raise our sound of
praise
We'll take our pledge of
brotherhood,
Enduring through our days.

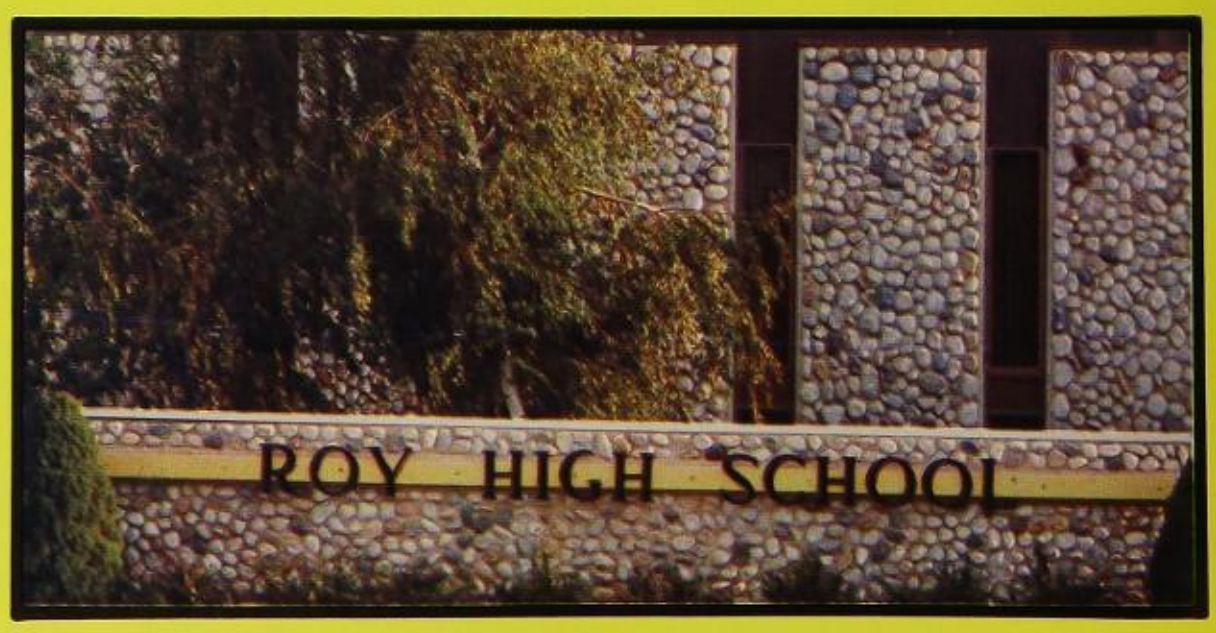
Under bright blue skies
she's standing,
Proudly wears the colors of her
crest.
Hail to Roy, our Alma
Mater,
Rising alone, above
the rest.

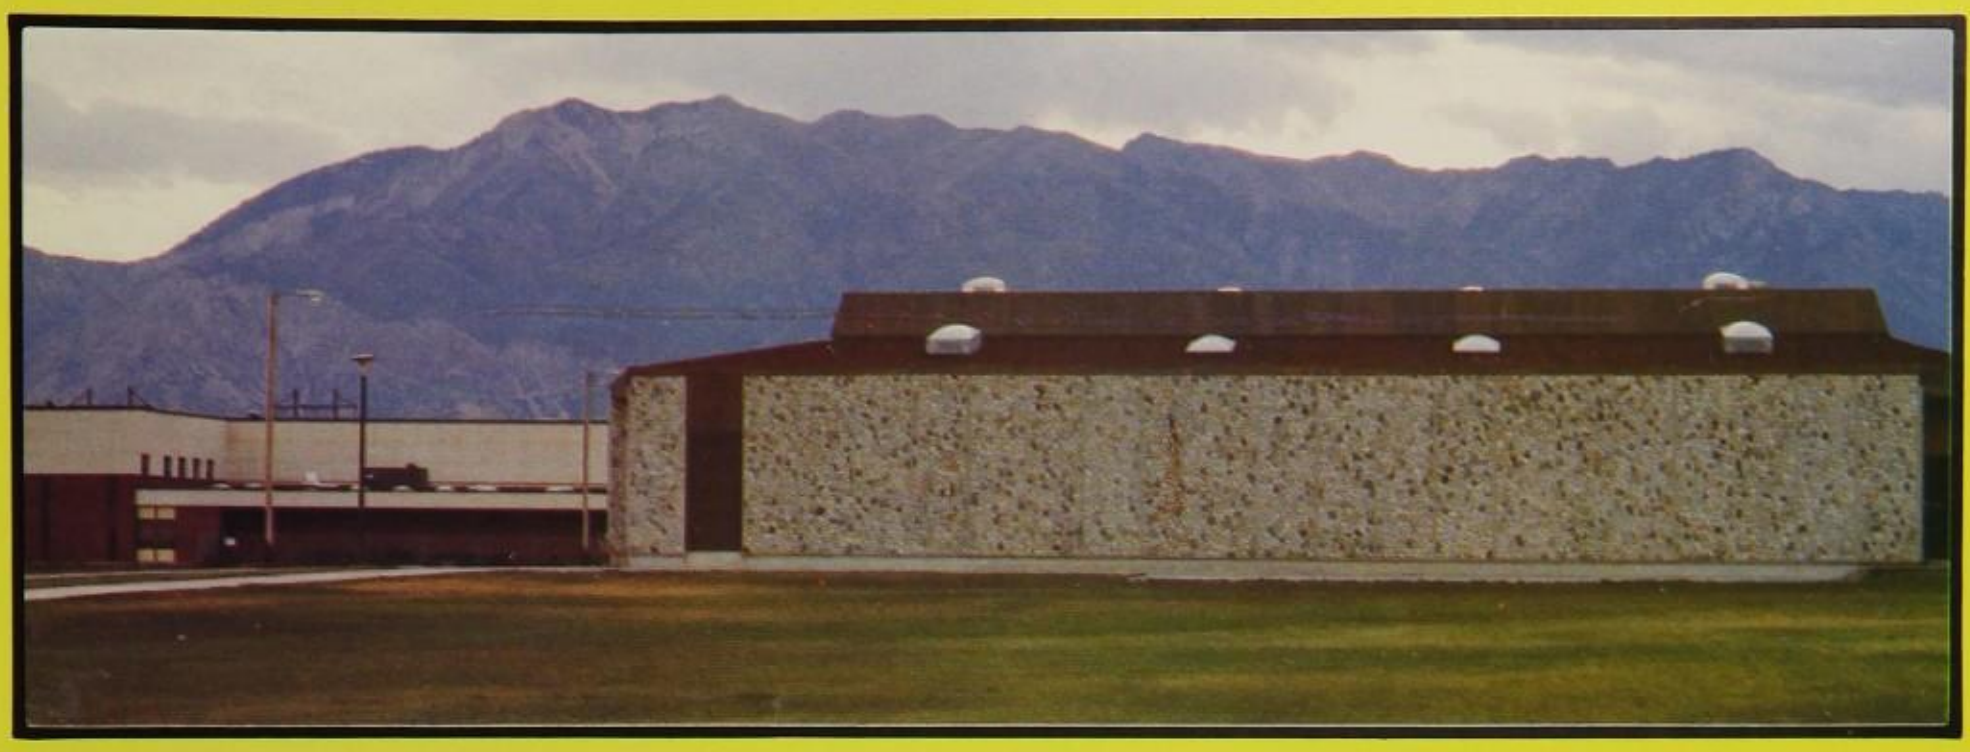
When the years have
passed by slowly,
Thoughts of glory shall
remain.
As the cheers of victory
dwindle,
We'll sing this last
refrain.

Under bright blue skies
she's standing,
Proudly wears the colors
of her crest.
Hail to Roy, our Alma
Mater,
Rising alone above the
rest.

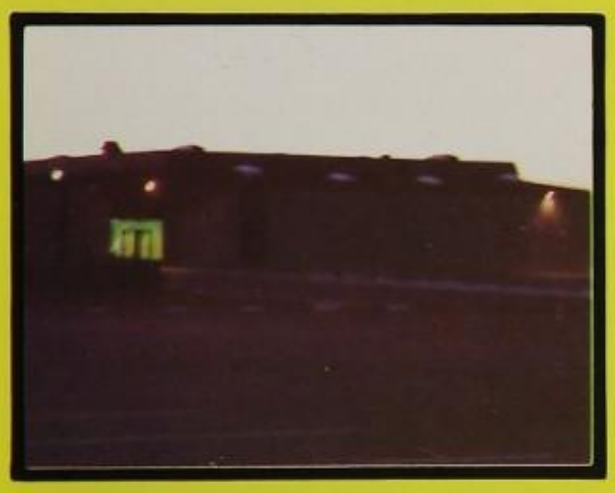
Music by Lawrence Lyon
Arr. by Sterling Morris
Words by Larry Palmer,
Holli White, Robert Wood







From the locker rooms to the new Roy City Complex is only a short jog away.



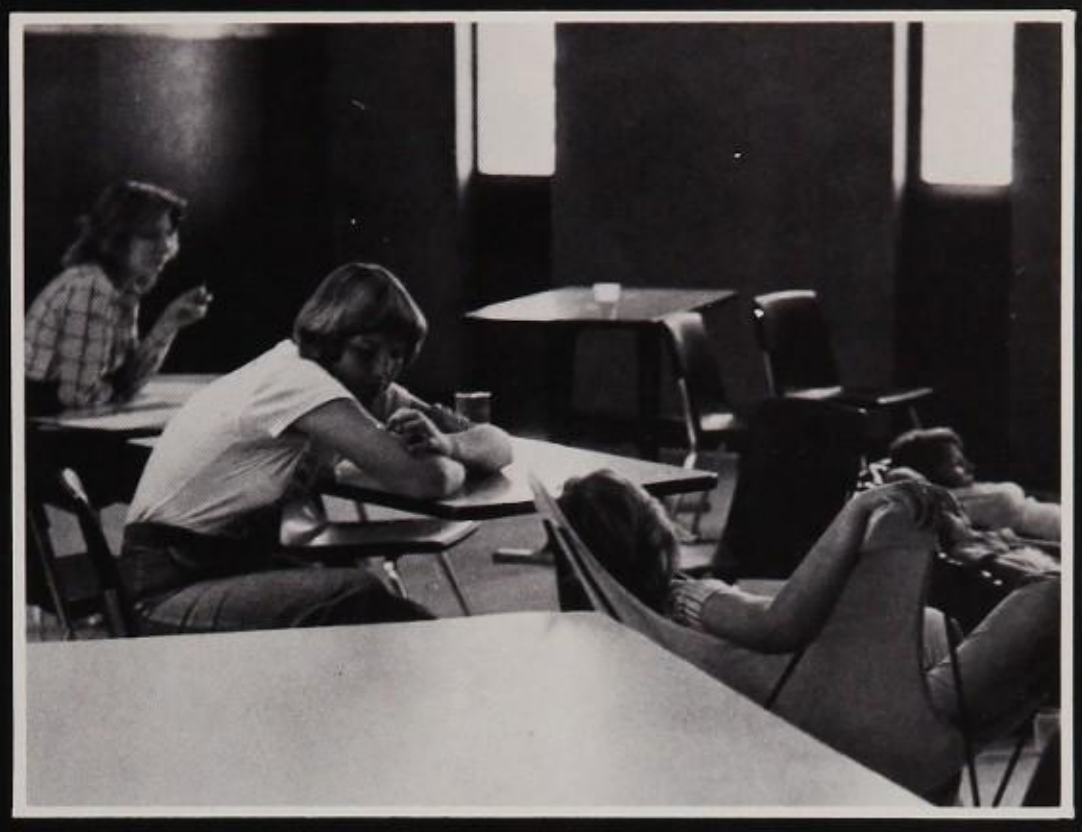
The stained concrete and smell of oil gives way to the year old autos center.

The tennis courts add new dimension to the rock walls of our Alma Mater.

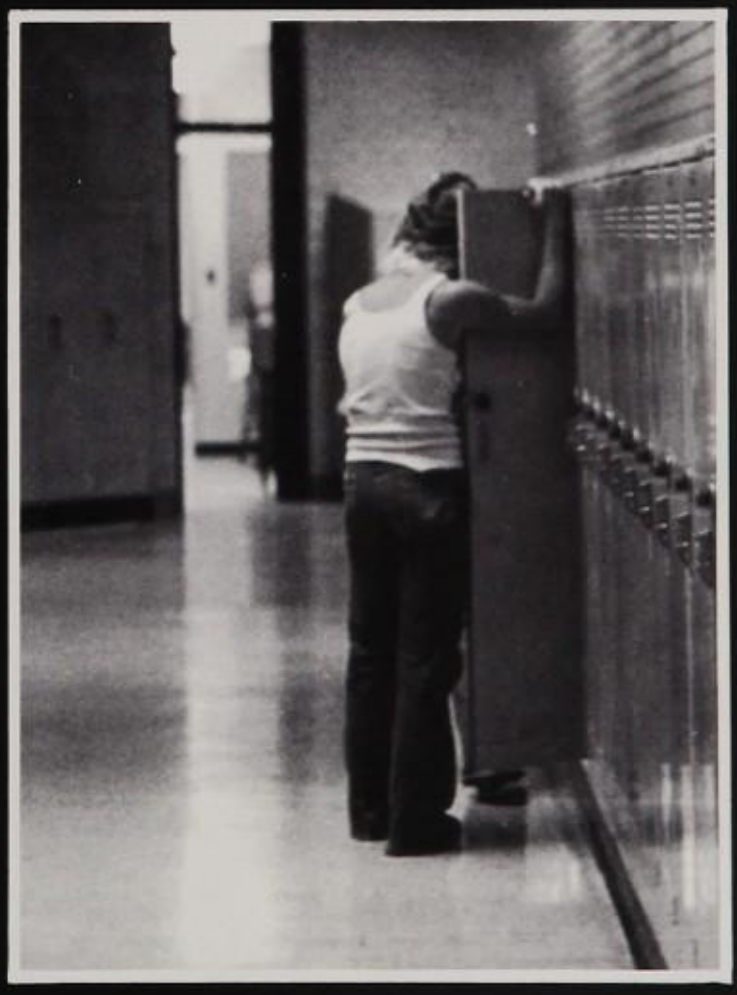
Built in 1965, Roy High has withstood twelve years of Seniors, Juniors, Sophomores, and four years of Freshmen. Our class schedule has gone from twenty-eight periods to seven periods daily. Some students have one hour of unstructured time a day. Through this we have had two principals, Dr. Spencer Wyatt and Dr. Darrell, K. White. Roy High has had many traditions in the past. We hope we can follow these traditions.

STUDENT BODY

The Royal student body is a united group working together towards creating our individual dreams into tomorrows reality's of life.



ROY

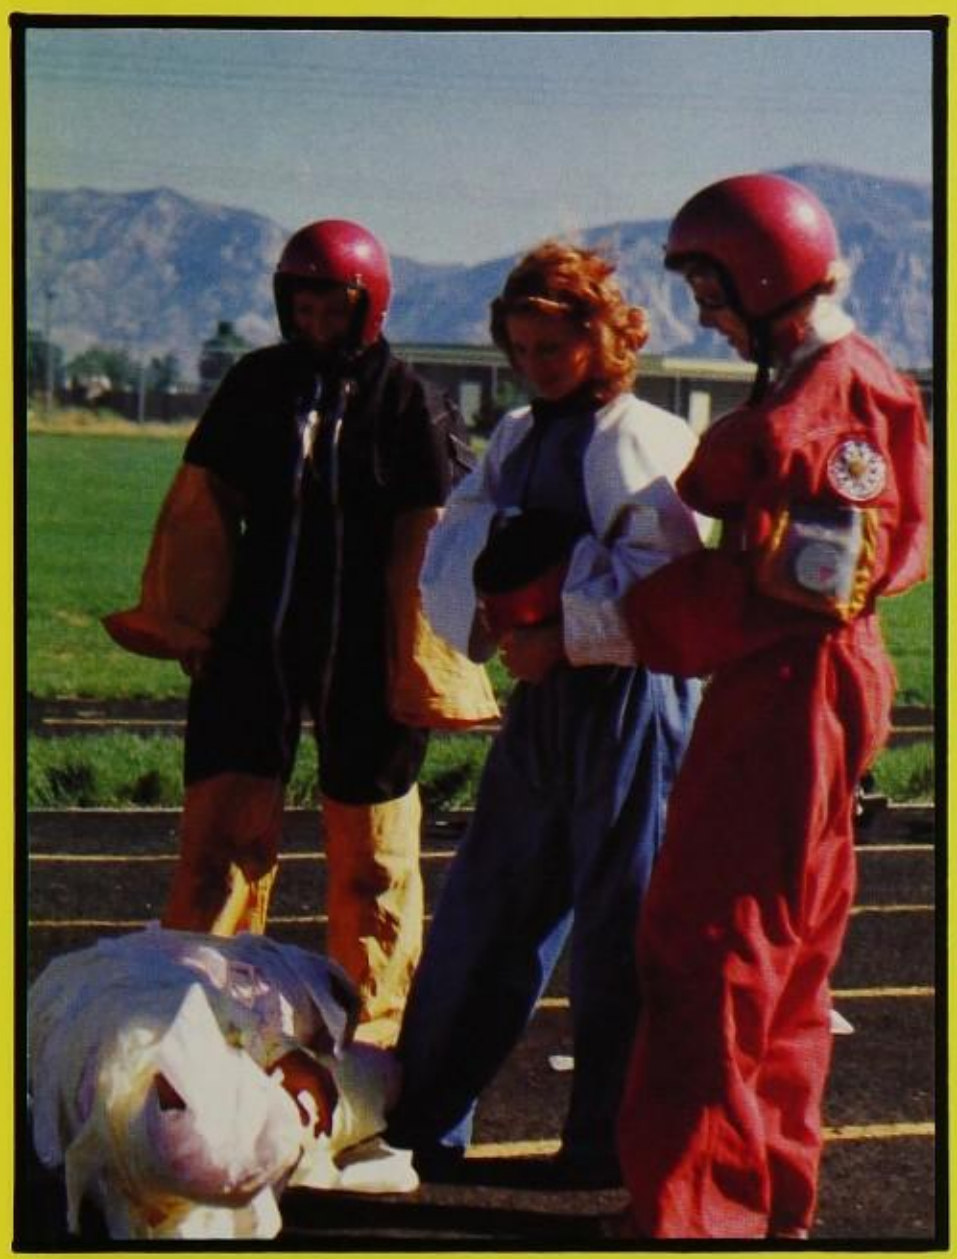


STUDENT BODY OFFICERS

Ah, Bruce, your hairy chest just knocks me out!

Aren't I sexy?!?

Kim Luhn - First Vice-President, Lauri Rogers - Second Vice-President, Bruce Hazen - President, Lori Beyler - Historian, Dixie Schulz - Secretary.



Him fall down go boom cause him forgot to pull him ripp cord. !.

Thinking back on what Roy High has been for me is an exciting thought. The concerns and ideas of the student body presented a challenge for me.

As I think back, it makes me wonder - did I do as much for Roy High as I possibly could do? I hope so. With the efforts of all the student body and faculty members pushing towards the slogan of "Royals Go First Class," I believe that pride and unity showed through and kept Roy High on top.

I wish each Royal the best of luck in the following years, and as a matter of fact, I will always be proud to be a Royal!

Thanks Royals, your great!

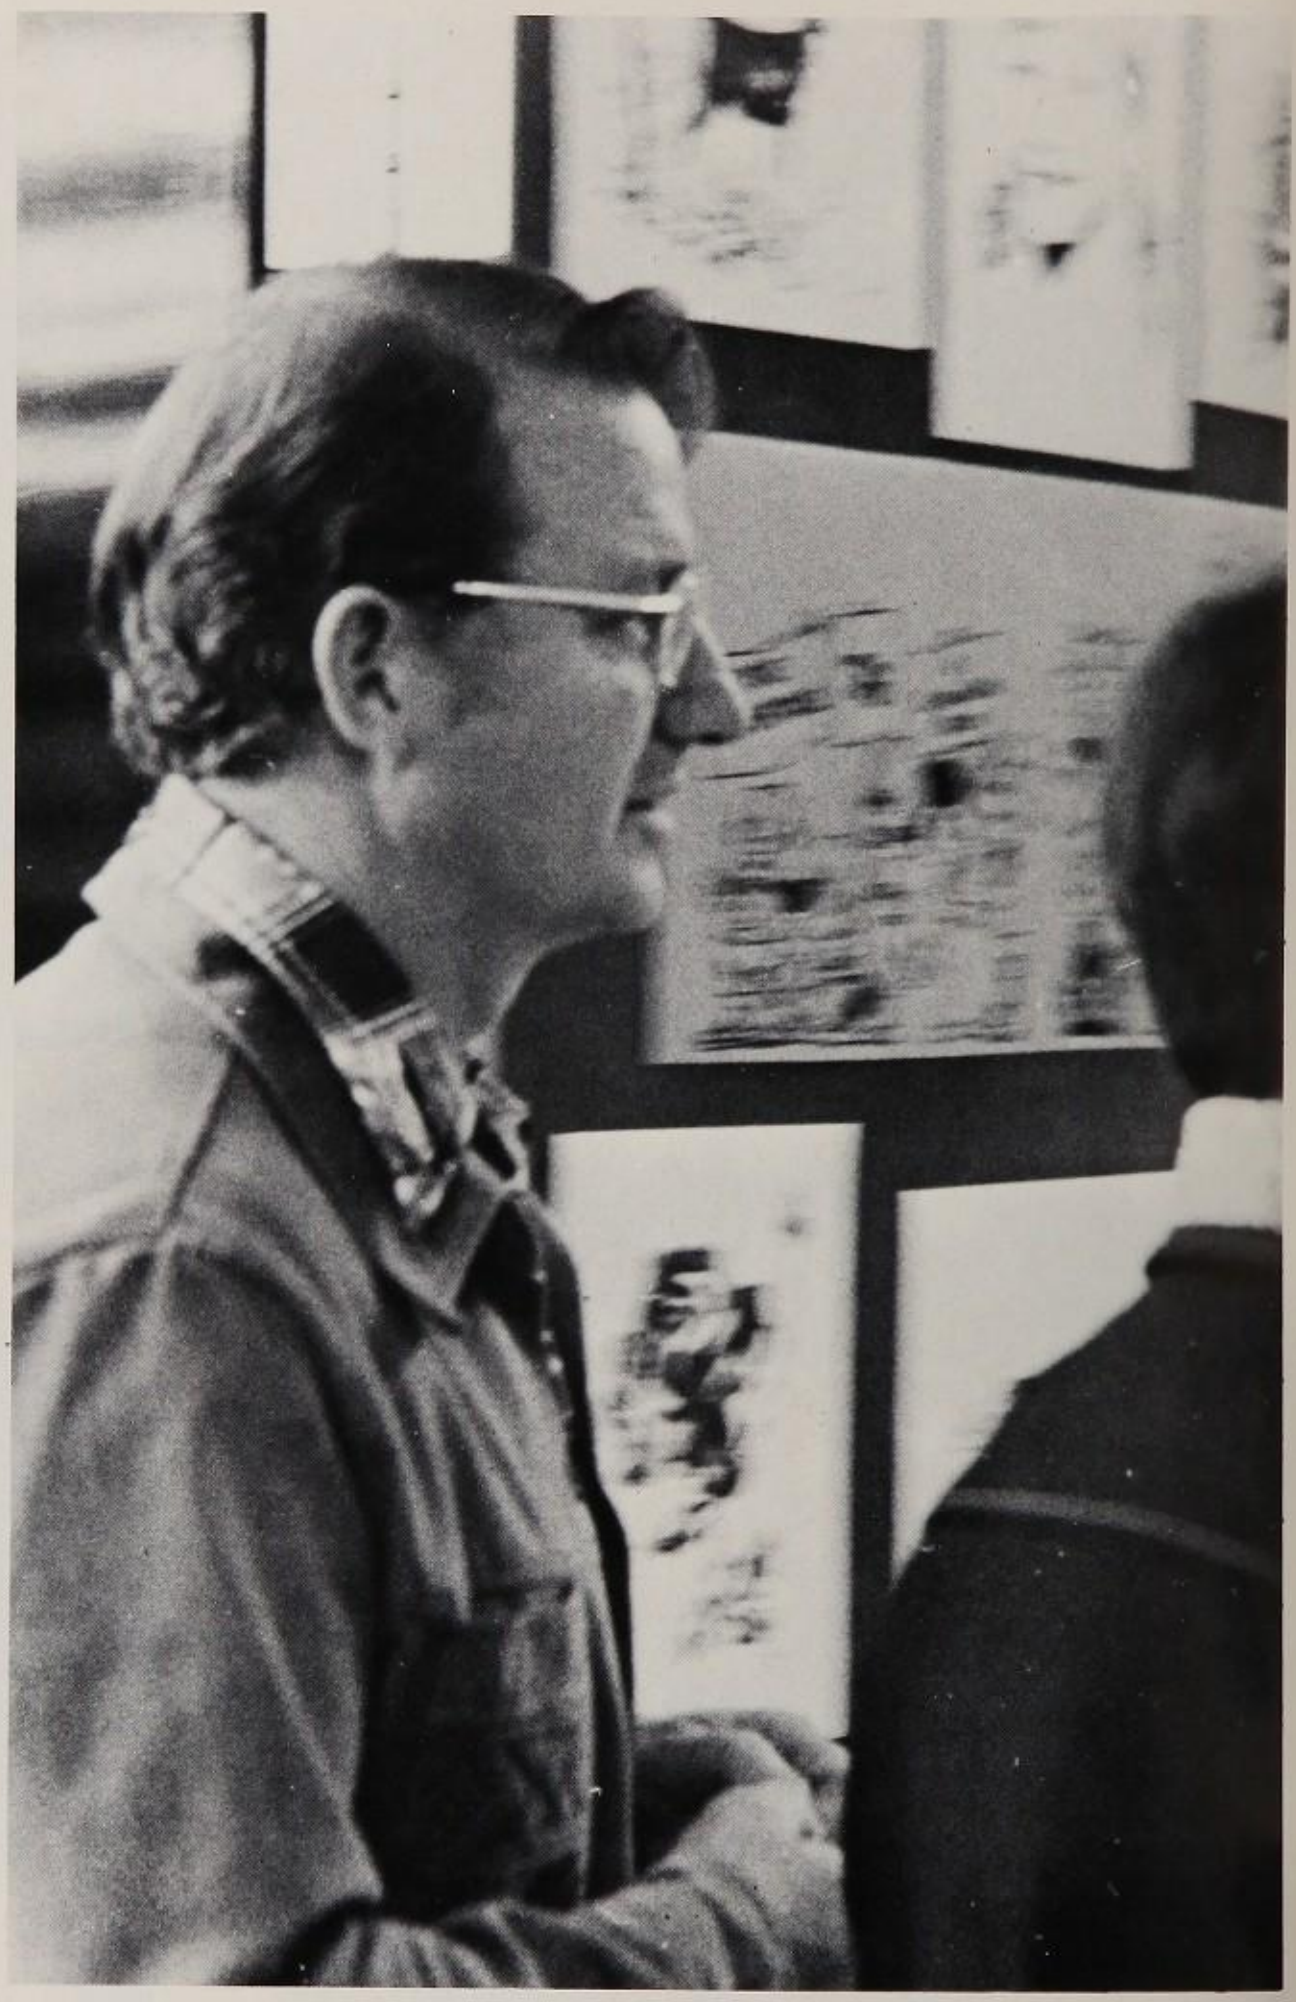
P.T.S.A.

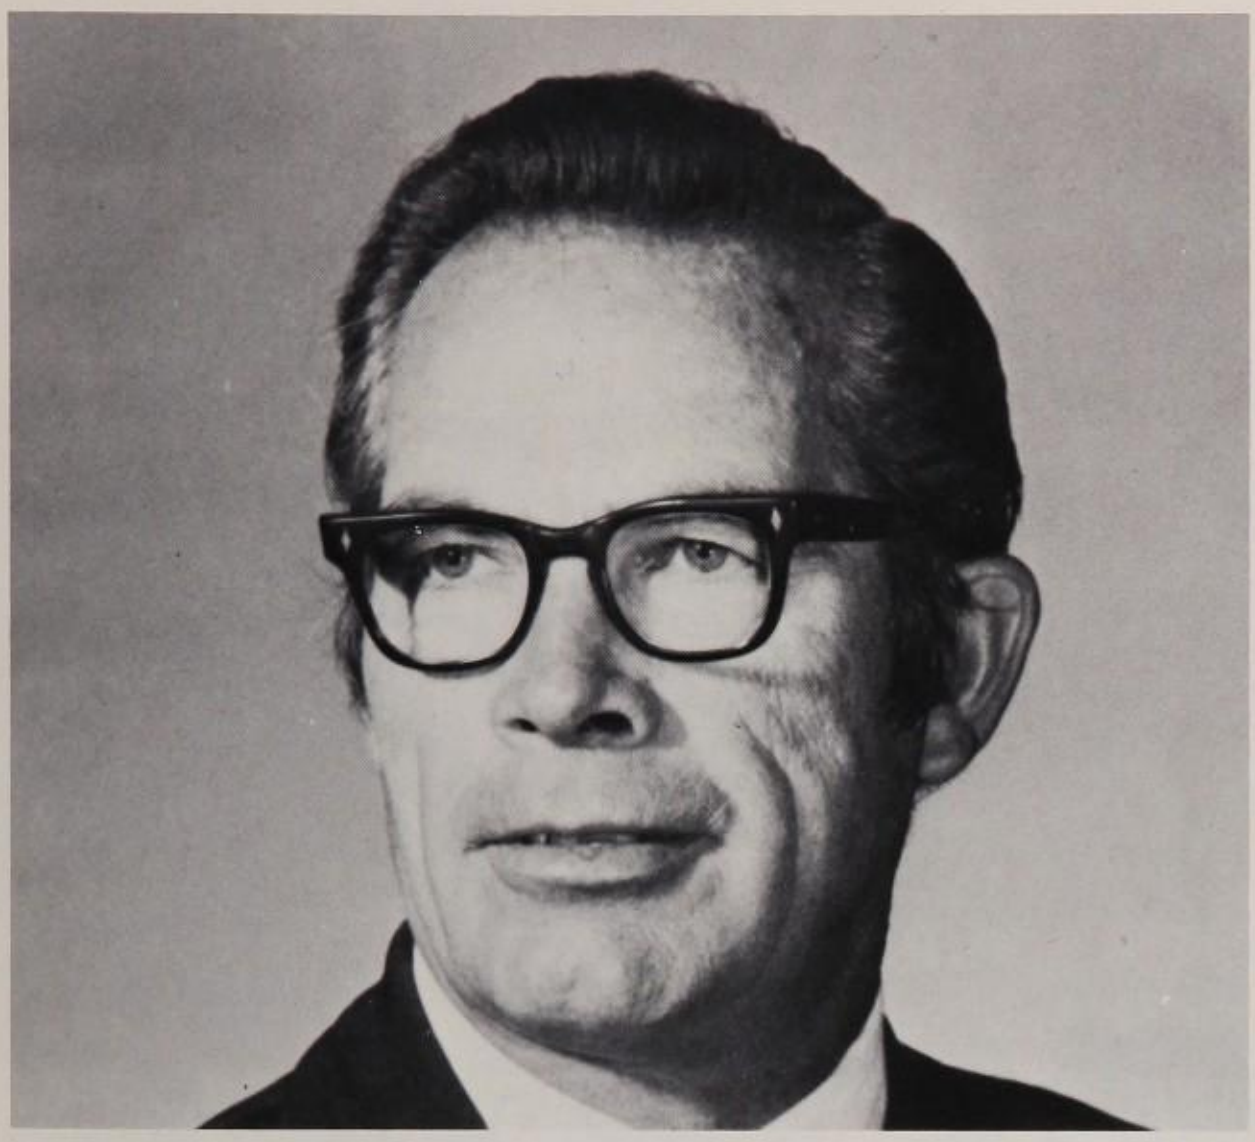
The Parent Teacher Student Association is a group willing to help Roy High in every way possible. The P.T.S.A. helps by sending out information of the coming months' activities. These fliers are sent to every home in the Weber School District. The Association also sponsored a float in the Homecoming parade and aided in activities for Honor Roll students. At the end of the year the P.T.S.A. gave out scholarships to Seniors of high academic levels.

Principal



Education is a lifetime process. Those people who maintain an active interest in learning throughout their lives are the most successful. One of the goals of Roy High School is to establish an environment and attitude which promote this concept of lifetime learning. It would be my sincere wish that your experiences at Roy High School would be exciting and positive to the extent that you will always want to continue your education.

Assistant Principal



DR. MILLER "LOYAL ROYAL"

. . .

Without Dr. Miller Roy High would not be able to function as smoothly as it does. Dr. Miller arranges all athletic events, field trips, social events and all transportation for these activities. Dr. Miller is a "Loyal Royal" because of his loyalty and spirit.

SENATE AND HOUSE MAKE MAJOR DECISIONS . . .

The Senate and the House of Representatives are the groups that take care of student problems.

The Senate represents every class at Roy High, so it covers every type of problem and happening imaginable.

The House of Representatives represents every homeroom at Roy High. It covers everyday problems with teachers and students to major problems wilth the entire studentbody.

Both of these groups worked towards a better school and studentbody.

House of Representatives

GIRLS' ASSOCIATION

The Girls' Association is a program especially for the girls in Roy High. The purpose of this group is to get the girls involved with other girls. By providing special things the girls get to know others better as well as themselves.

Row 1: Debbie Smith, Pam Winward. Row 2: Nannette Bailey, Laura Hunt, Diane Herzog, Sherry Thompson.

Row 1: Jan Heslop, Carrie Durbano. Row 2: Debbie Yoshimura.

BOYS' ASSOCIATION

Row 1: Paul Morgan, Robert Sutton. Row 2: Jeff Scholtec, Kevin Carmony, Robert Lifsey, Mike Nichols.

The Boys' Association is for all boys who attend Roy High. The purpose is to unite them and get them involved in activities. Getting to know others is a challenge, but through the activities and getting involved the boys will be able to find more friends and things to involve themselves with.

Row 1: Dave Wiggins, Conrad Hafen. Row 2: Kim Chatterton.

MEMORIES

by Kendra McCoy

Memories are made of things
That happen everyday.
Moments as we live them,
Things we do or say.

Little bits and pieces
Of laughter mixed with tears
Photographs and pages
Written through the years.

The carefree days of childhood
The growing pains of youth
A few illusions shattered
In the endless search for truth.

The friendships we remember,
Mistakes that we regret
The ending of a love affair
We never could forget.

Yes, memories are happenings
Each one a different kind
Each one a separate chapter
That is printed on the mind.

We can't erase the sadness
Or edit out the tears.
We can't undo the wrongs.
We can't relive the years.

But since memories keep building
Each day can be the start
Of making new and happy ones
To store within the heart.

THANK YOU

This is just a little rhyme
To let you know I care
And thank you for the happy times
You gave when you were there.

Sometimes it's nice to remember things
That time has long defied
The memories we shared together
Are sometimes now revived.

But remembering the days long past
That use to make me glad
Somehow I know would never last
Now only make me sad.

Now you must, for the future live
I pray you have no stress
But all the best that life can give
And you, may God always bless.

Coat of Arms

OH, YUK! We wish the studentbody knew the work we do to make them a yearbook. We have deadlines about every two weeks. It all begins with layouts. The picture size and placement is drawn on a special packet of paper. Holly Olsen, Tim Wienstock and Kris Wallin perform this very important job. Next Duana Pond, Troy Wecker, Robert Haupt and Gilbert Oliver step into view. They are our photographers - the very backbone of this book. In fact the pictures on this page are their work. While this special breed is doing their job, our copy staff is out digging up the facts. Deanna Mong, Carolyn Gentry and Jeri Sim are often found pestering someone for information. Then all this conglommeration of paper, articles and pictures is put together by Annette Krause and Toni Stenberg. After they finish, our advisors, Mr. Hirschi, Mrs. Salmond, Miss Olson and Mr. Anderson, scrutinize the work for goofs. Then, to top all this off, our business with Paula Hansen, Carrie Trenholm, Scott Fisher, Don Hosmer and Cathy Anderson add a few dollars to our pockets to make it even better. Now, studentbody, we're not just the sticks in the mud; we are the people who produce your everlasting memories of high school.

LEARNING PAYS?!

The National Honor Society, being led by Blate Jones, is a group of students who dedicate themselves to learning. The constant upholding of the high codes of belonging to the society are always a little hard. Keeping a 3.5 G.P.A. is the main requirement for an N.H.S. member.

DRAMA PUTS ON MAJOR PRODUCTION . . .

During the year the Drama Club sponsored many school plays and one act plays. The main production of the year was "Reaching For A Star." Jeanine Dixon, a senior,. wrote and directed the play. The Drama Club hoped to gain membership in the "National Thespian Club." Drama offers an outlet in theatre to many students who wouldn't get a chance to act. The Stage crew helped to make this year's production very successful.

A NEW LOOK

The drama department's first play of the year was "Barefoot in the Park." It also marked another first in the history of Roy High - the Dinner Theater. As Corey and Paul coped with the frustrations of marriage, the audience quietly twisted their spaghetti. Let's give them a big hand for their great performance.

SENIOR WRITES MUSICAL . . .

This year the Fine Arts Department put on a school musical, "Reachin' For A Star." This was quite different from anything ever done at Roy before. This production was written, produced and directed by Jeannine Dixon. The play was a great success and was also taken to various other schools. When asked about the play, Jeannine stated, "I'd like to thank the cast of "Reachin' For A Star," for all of their dedication and time that they put into my play. Without them it wouldn't have been possible. Now I'd like to thank everyone who came and supported this musical. You really made my dream come true. Thanks!"

The guys visit Tony's Pizza Parlor.

History

STUDENTS DEMAND MORE HISTORY . . .

The students of Roy High have received this urge for history in the last few years. History has become a very popular subject. Roy High has about six kinds of history classes. There is Sophomore, Junior, Senior History, Current Events, A.P.U.S. History and A.P. European History.

History has become the best way to learn about the past. First you are learning about the French and Indian war, next you go to Washington's inaugeration, then to World War I and finally to Jimmy Carter. An old history quote is "He who cannot remember the past is condemned to relive it."

Just a few teaching aids.

M. U. N.?!

What is it? Is it contagious? The questions should be: ''What is it all about?'' and ''Can it be contagious?'' Model United Nations is an organization based on the actual United Nations. Learning about the people of other countries and their governments is its purpose. The students can actually become a part of the countries.

He's really a cool guy!!!

FOREIGN LANGUAGE

Hello! Guten Tag! Bonjour! From our AFS Club and Royal Student Body to this year's foreign exchange student. Through AFS we are able to share and enjoy the cultures of the homelands of various exchange students. Yearly projects help to raise funds to support the exchange student and the Royals who travel abroad.

WORLD WIDE OPERATION . . .

American Field Service is a world wide operation and is geared toward a better understanding among the young people of the world. A.F.S. at Roy High offered the opportunity of becoming a foreign exchange student and played host to Marcial.

Mrs. Salmond aides Marcial with a gift for the Royals.

After [illegible] months here, I've enjoyed a wonderful time with you. I have discovered several dimensions of knowledge, thoughts, behavior in you and myself.

Although life here is very different from the one I'm used to, I've learned the things that make us different. I've learned also that being a Royal is not for everybody, because a Royal needs to have a great and strong spirit, and that's one of the things that makes this particular school so special.

I'm so glad and thankful for being here, thanks for receiving, thanks for understanding, thanks for giving, thanks for being like you are. Sincerely thank you Royals, you really are [illegible].

MATH

THE ROYAL ROAD TO MATHEMATICAL FUN

How far up the road do you plan to go while you are here at Roy High? A student has the opportunity to learn more about the area of his or her interests. So plan ahead, work hard and see how far you can go in math while you are here.

ADVANCED PLACEMENT MATH CALCULUS - can receive college credit for this class

ANALTYICAL GEOMETRY PRE CALCULUS - college bound students with interest in math or science

COLLEGE ALGEBRA - college bound math emphasis on application

COMPUTER - write programs on college computers

ALGEBRA II - rebuilds and strengthens algebraic concepts

GEOMETRY - develop logical thinking processes

ALGEBRA I - college bound students

CONSUMER MATH - students interested in learning the business world

SHOP MATH - students learn to apply math to building and vocational careers

SURVEY MATH - for students that have much trouble with math

CHESS CLUB SUCCESSFUL . . .

The Royal Chess Club has a very outstanding record. The club went undefeated in region match during the period 1972 to the spring of 1976. Their plans to be just as successful were accomplished. They participated in matches with the other schools in the region and in the state tournament in March. Much of the success of the chess club was the guidance and persistence of their advisor, Dale Slade. The club officers this year were: David Barrett, President; Richard Gour, Vice-President; Alan Nakayu, Parliamentarian; Nancy Yamashita, Secretary.

F.F.A. PLOWS ON . . .

The Future Farmers of America are the students that want to be farmers. They learn the fine arts of planting, correct time to plant and how to care for the crop. The club is advised by Bruce Marchant and Claine Stenquist. Hooperites, as well as Royites, are encouraged to get involved with farming and learn to do it well. After all, the country is dependent on farmers for food.

HEALTH AND P.E. GO HAND IN HAND . . .

In this year's physical education area a wide variety of classes were offered. Swimming, archery, bicycling plus golf and tennis were just a few of the various choices. Not only did they offer a circle of fun classes, but they also taught each person what exercises were best for him.

The health classes were taught right along with P.E. In the class students learned how the human body functions and how to care for it. Royals are now tops in body shape and health.

GREAT PERFORMANCE BY LIONELLES . . .
With flags twirling, knees high, and their best smiles, the Lionelles performed with precision and grace at halftime and pep assemblies. They, through their hard work, learned how to cooperate with each other and to coordinate their bodies. We, the student body, would like to say thanks for sharing their talents and skills with us.

VARSITY VOLLEYBALL

VARSITY VOLLEYBALL WORKED HARD FOR ROY HIGH . . .

Our Varsity Volleyball team worked hard and represented Roy High well. Their main goal this year is to upgrade the pride and skill of the girls. Through working together the girls have learned to accept defeat along with the joy of winning.

Row 1: Deann Frew, Cathy Allison, Doris McCoy, Susan Lane, Janeal Bingham. Row 2: Radene Johnson, Steph Weaver, Wendy Meibos, Laura Ruiz, DeAnn Battistone, Debbie Baird, Janet Shaner.

GIRLS LEARN HOW TO SWIM . . .

The Girls' Swim team this year spent hours upon hours swimming to strengthen their bodies. Competition for the others, thus, became harder. They learned how to compete as a team as well as alone. We would like to congratulate the gals on a great year.

The girls made a big splash in competition.

Girls' Gymnastics

GYMNASTICS POPULAR SPORT . . .

Gymnastics at Roy High is a very popular sport. The girls are talented and dedicated in their individual endeavors to succeed. Division, region, and state were held at Roy High in March.

The olympic events are competed on uneven parallel bars, balance beam, vaulting and floor exercises in class two and class three levels.

Row 1: Camille Meyer, Vicki Nielson. Row 2: Lori Christensen, Jolynne Friedli, Suzanne Skidmore, Laura Ruiz, Debbie Baird, Heidi Hunter, Misty Thornley. Row 3: Hedy Bishop, Cheria Carter, Wendy Morris, Kaylene Scott, Stephanie Weaver, Lori Johnson, Dorothy Vest, Coach Barker.

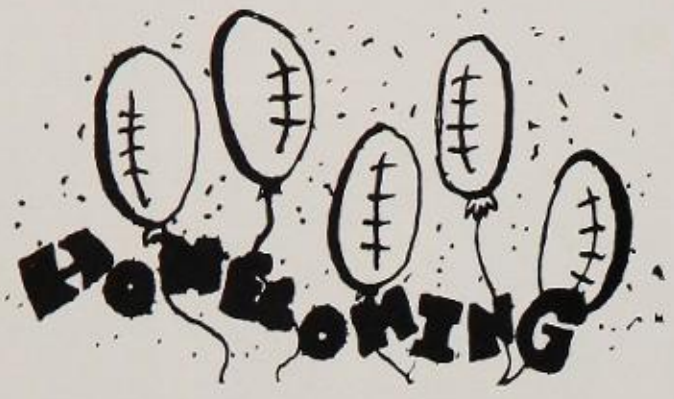
HOMECOMING HAPPENINGS



Paula Hansen proves that Juniors are the biggest munch mouths.

Seniors "mash" the Juniors and Sophomores.

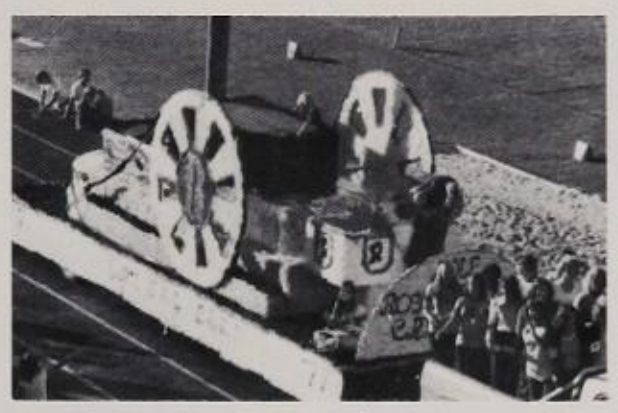
It's chips away!!

SENIORS WIN HOMECOMING!

Homecoming was full of exciting events. This year's competition started Monday with the bang-off assembly. The three classes competed in the spirit bug push, cake eating, and cow chip throwing. Tuesday, "belt the Bees day," started with a breakfast and ended with the boys cooking dinner for the girls. Wednesday's title was "Out Number the Bees day." The homecoming queen candidates were presented in the theme assembly. A stomp was held later in the evening with Traxx as the band. Thursday was "Buzz Off day." Students were seen wearing homemade antennas. Later that evening the parade could be seen traveling the streets. A pep rally was held afterwards in the stadium. With the cross country team running from Box Elder with the torch, the B was lit. A dragon walk was ended with fireworks. A pep rally was held Friday during Gold and Black day which led to the game played against the Box Edler Bees.

Our explosive band showed the true winning spirit in their music.

The flaming "B' kept our spirit burning bright.



The Senior Float left all in awe.

The new addition to the pep sqaud was a spark to all.

Some of our Seniors gave a touch of class to our field with this crown.

The Homecoming game - a great conclusion to a great week.

A LOVE LIKE OURS

After being crowned as Homecoming Queen Friday, Susan Hardy calmly enjoyed a Saturday evening of dancing. The couples swayed to the music of the Sandstones. Chalk murals lined the walls, and soft lights glowed luminously. The finishing touch of the evening was dancing to the theme song "If you leave me now" by Chicago.

RECOGNIZED EXCELLENCE . . .

The purpose of Sterling Scholars is to recognize high school seniors for scholastic excellence.

The competition is open to seniors. Each school may nominate one student in each of the 12 categories, but is not required to make an entry in all categories. Nominees must be students in good standing.

SUMMER WORK . . .

This summer fourteen seniors-to-be went to state to represent Roy. The six girls attended, along with the eight boys, Utah State University. Their week of enjoyment included many activities, new friends and lots of meetings. They also had the opportunity to be involved in elections.

The Royals of the Month can be nominated by anyone to one of the Senators. Each grade is then reduced to three persons before the vote is taken. All the Senators vote on each of the recipients. Those who receive the award have to have done something for the Royals in their month.

Yearbook

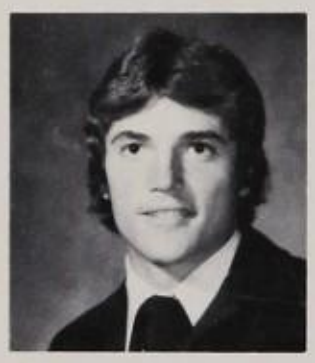
Two Royals have done above and beyond their call of duty this year in the production of the 1976-77 Coat of Arms yearbook. Kelly Cheatham and Troy Wecker are those outstanding people. They have been chosen the editor and advisors to receive due recognition. This small token of appreciation is this minute square dedicated unto them.

Troy is a staff photographer, but Kelly is only a friend of the editor's. At deadline time she gave freely of her time and talents. Often she would stay until seven at night or willingly come to school on Saturday to help out. Without Kelly much of this book would not have been possible. May all people have such friends as this.

Troy too gave of his time, and many teachers and grades felt the brunt of his duty. He spent many late hours and Saturdays in the darkroom. He put out excellent work despite handicaps. Often last minute assignments fell on his shoulders.

These two Royals are models to be followed. Their super efforts and invaluable help brought this book through its roughest times. They helped create a memory book of Roy High's 76-77 year. May all Royals be like these two and cherish their work forever.

F.F.A.



Dale Parker was Roy's representative chosen for the F.F.A. Speech contest. He placed 5th in Region.

Everyone needs a little light

by Brian Beck

When the sun cracks the sky,
  and sparrows sing their joy,
When night bows to day,
  and children go to school,
I wake in expectations
  of another day,
    to spend
      silently watching,
    the mechanical people,
      march off to work,
    to sit behind a metal desk
  and bask under their false sun.

The world is hollow
And I have touched the sky
The wind through my fingers
And the sun in my eye.

This glorious universe
With God's outstretched hand,
Will guide man and beast
Throughout the barren land.

The clouds are puffs of peace
And the earth - such serenity -
Will call upon the rains of heaven
To give the ground fertility.

Is my destiny in this hollow
Or will I be free to die?
For the world is hollow
and I have touched the sky.

by Kelly Cheatham

Memorial Dedication

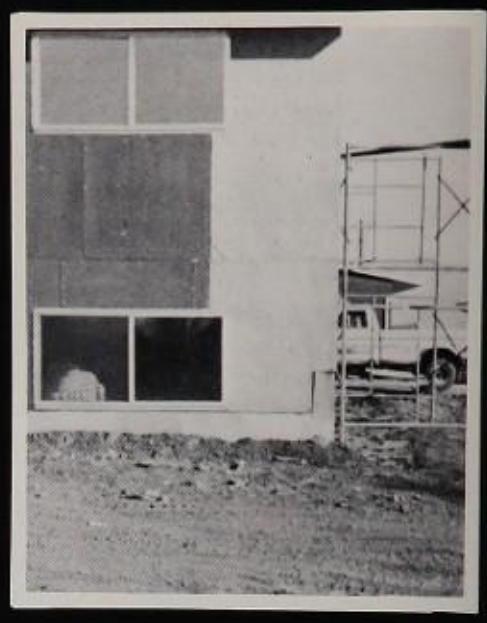
Loretta Martinez

She was born May 28, 1961. She aspired to some day become a fashion designer. She had a natural talent to draw new and unique styles of clothing. She would spend several days improving upon some of her designs. She had a particular way of drawing the eyes. Loretta passed away on November 27, 1976.

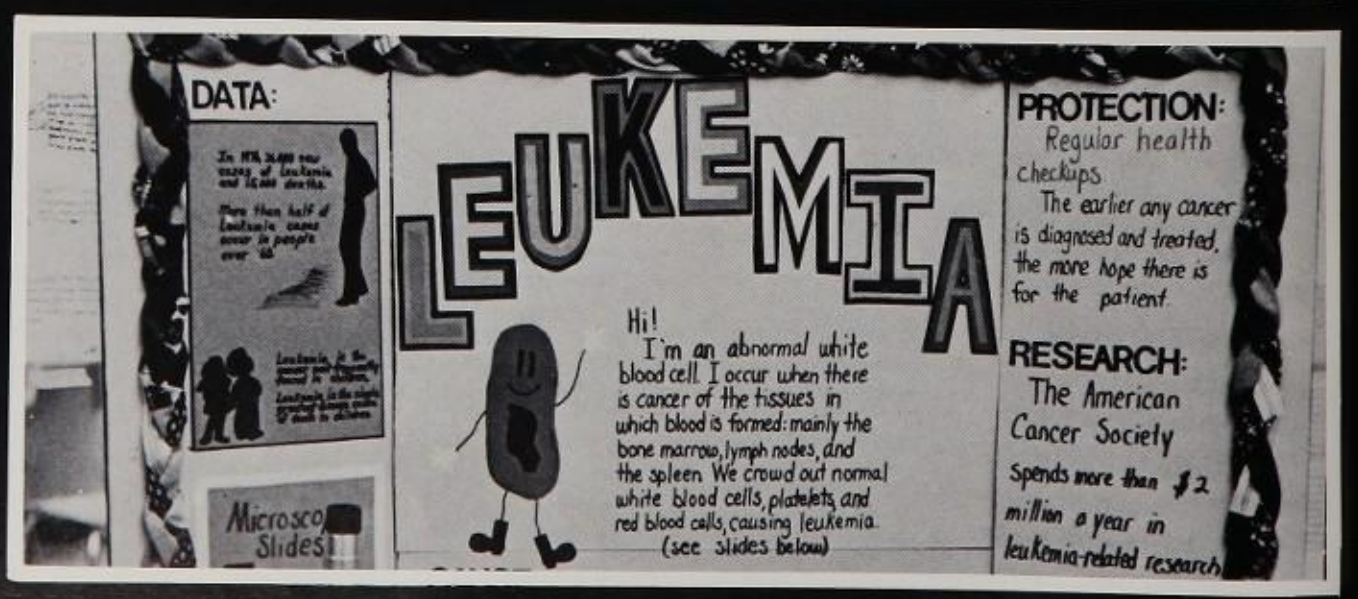
Scott Bennett

On November 16, 1960 Scott Dee Bennett was born into the William Bennett family. Scott soon entered into Little League Football, Basketball and Baseball. He also became an avid game hunter. For eight years Scott was an active member of the Junior Posse. Scott passed away December 24, 1976.

Do we know what our future holds?



Do we reach where the eagles sore?

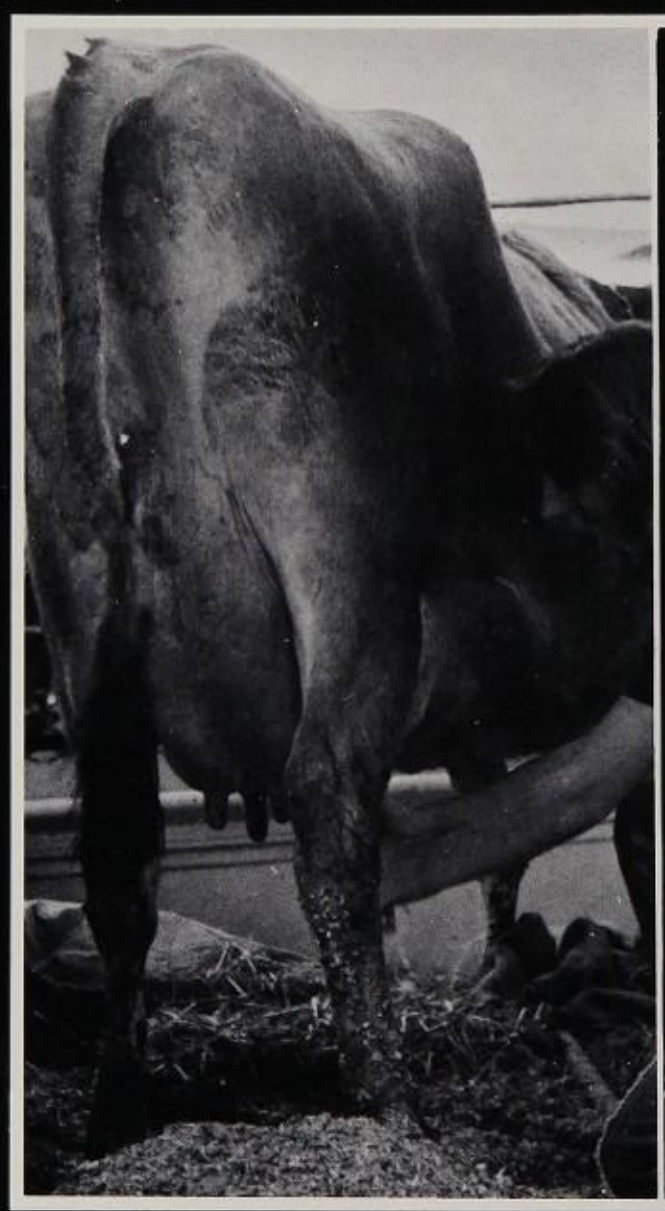


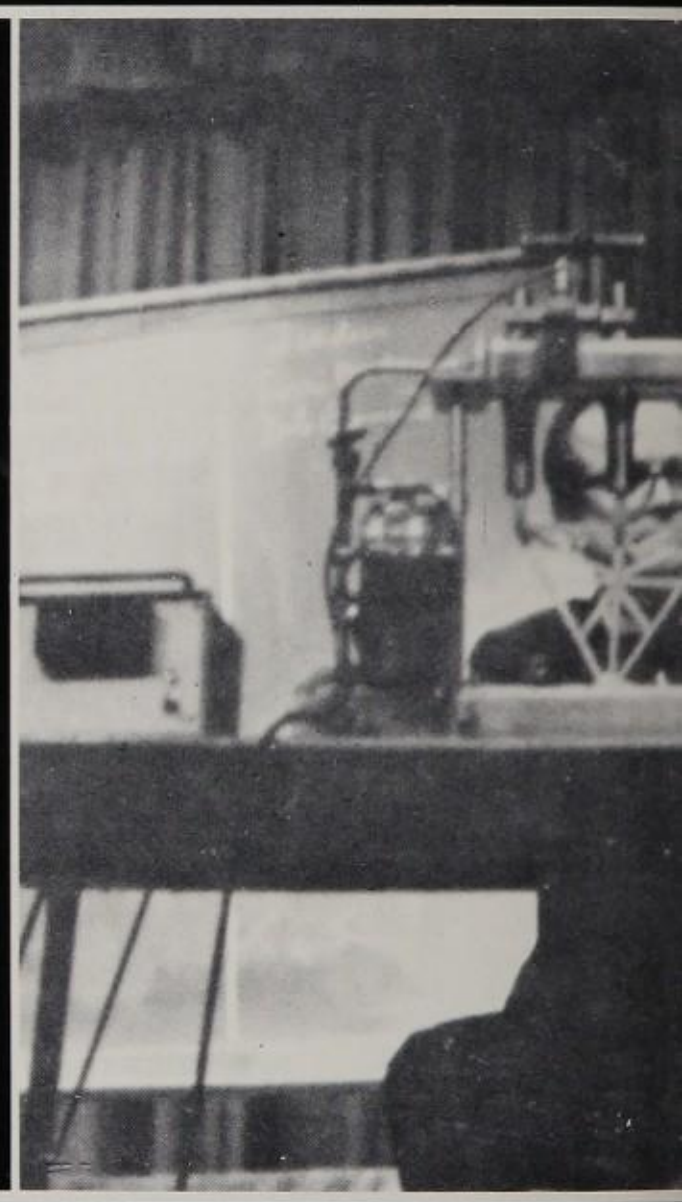
DATA:
LEUKEMIA
Hi!
I'm an abnormal white blood cell. I occur when there is cancer of the tissues in which blood is formed: mainly the bone marrow, lymph nodes, and the spleen. We crowd out normal white blood cells, platelets, and red blood cells, causing leukemia.
(see slides below)
PROTECTION:
Regular health checkups
The earlier any cancer is diagnosed and treated, the more hope there is for the patient.
RESEARCH:
The American Cancer Society
Spends more than $2 million a year in leukemia-related research

As Royals
we unitedly stand;

After failures
we rise once more.

For even as a lion
is king of the jungle;





we are leaders
of our own right
